2018 Winter Season Newsletter

22/5/17

A warm welcome to our 2018 members.

We are happy to see the season off to a good start. Winter competition has worked out as the same format as last year with 6 teams of 9 players. Things are running smoothly with people quickly melding into the familiar system that worked so well last year.

Winter Premiership Competition

We are approaching week 4 of the competition. We have been moving some players around over the past couple of weeks in order to even out results for the fairest competition possible. There are some minor changes again this week so please bear with us. It is possible there might be a further change but as of next week teams should be locked in. Conclusion date for the competition has changed from what was originally announced. Elimination finals are on the Wednesday 29th of August and Wednesday 5th of September with the Grand Final being on Friday 7th of September. Play commences 7.00pm sharp on Wednesday nights. Please prioritise the kids games at the end of the night so they can get away if need be.

Friday Night's Winter Competition

Play starts on the 25th of May. Please submit your self nominated teams of 4 or individual nominations if you don't yet have a team, no later than Monday the 21st of May. Game play format might be handicap but this is still to be finalised. On the night you will play 3 singles and 2 doubles. Competitions will be over 13 weeks with no grand final. The team on top at the end, wins.

To nominate yourself or a team or you need more information please contact club President Jason Regan:
